Dear New Student and Family:

The staff at Baird Health and Counseling Center welcomes you to Colby-Sawyer College. To assure you of the best possible care during your college years, we need to have information regarding your health history in order to understand your individual health care needs.

**ENTRANCE REQUIREMENTS INCLUDE:**

1. **Health History** form: This is the form you fill out. Please be sure you complete and sign your name in all of the designated areas.

2. **Physical Examination/Immunization** form: This is the form your health care provider fills out. Please remember that this is the only form we will accept. All physicals must be done within a year of entering Colby-Sawyer College.

**These forms can be downloaded from our website:**
