Important Reminders for all Early Arrival Students

As an early arrival student, you are permitted to be on campus for a college related purpose, at the request of an advisor, campus employer or coach. Due to minimal staffing in the halls at this time, some conditions are placed upon students who are in residence during the early arrival period (Jan. 2 through Jan. 17).

In addition to other early arrival details, the temporary housing contract you signed outlines the following conditions:

- No consumption or possession of alcohol, regardless of age
- No guests other than fellow early arrival students
- Common area damage caused during this time period will be billed to the students living in the hall at the time of the damage
- Violation of the Code of Community Responsibility or this contract will result in removal from campus housing until halls open for all students and the incident will be referred to the Office of Citizenship Education for judicial action.

In Case of Emergency

Although there is limited staffing on campus during the Early Arrival period, you do have resources if you need anything. Campus Safety can be reached by calling x3675 during the day, or the emergency line, x3300 at any time.

You may also contact the RD on Duty for assistance in the evenings by calling the RD cell phone at (603) 748-1019.

If you need housing assistance during the day, please contact Karin Berthiaume at x3455 or by emailing krberthi@colby-sawyer.edu
In Case of Snow or a Power Outage

As you know, a snowstorm is a likely event in New Hampshire in January. If there is a significant snowfall while you are here for early arrival, expect to move your car for snow removal. Typically, there will be signs posted throughout campus notifying you of when plowing will be taking place. **Students should continue to utilize student lots during this period.**

If we lose power due to a storm, please keep the following in mind:

- The campus telephone system may not function. If cell service is available, you can try to reach the RD cell (748-1019) or call New London dispatch at 526-2626 or 911 in case of emergency.
- The information desk in the Ware Campus Center will be a place you can go for updates. Any messages will be left there and the on-duty staff will check in on a regular basis to address any concerns.

As a student returning to campus at any point prior to re-opening on Monday, January 17, you could be receiving meals as part of the Early Arrival board plan. These meals are NOT part of your school year board plan, and as such must be arranged for with financial services through your college sponsor.

The men’s and women’s ski teams and basketball teams are back with home meets and would probably appreciate at least a few more people in the stands to cheer them on.
