Sodexo’s Commitments for a Better Tomorrow

- We will reduce our carbon intensity across all our operations and clients’ sites.
- We will reduce our water intensity across all our operations and clients’ sites.
- We will promote choices with reduced sugar, salt and fats.
- We will develop and promote health and wellness solutions for our employees, clients and customers.
- We will increase the purchase of products sourced from fairly and responsibly certified sources.
- We will source local, seasonal or sustainably grown and raised products.
- We will source sustainable fish and seafood.
- We will provide and promote varied and balanced food options.
- We will support local community development.
- We will ensure compliance with a Global Sustainable Supply Chain Code of Conduct.
- We will reduce organic waste generated at our sites and in our operations.
- We will reduce non organic waste generated at our sites and in our operations.
- We will source and promote sustainable equipment and supplies.
- We will fight hunger and malnutrition by engaging the entire Sodexo community including employees, customers, clients and suppliers.
